What is the Talking Recipe Book?

It is a program designed for people who love cooking and collecting recipes. With the countless recipes that are available online today, you can simply save these recipes into the Talking Recipe Book. On the other hand, you can create your own recipes, search, edit and print these recipes. The Talking Recipe Book is easy to use and you can save as many recipes as you like.

The Talking Recipe Book allows you to do the followings:

- Record down as many recipes as you can
- Search the specific recipe from the recipe database
- Have your recipe being read out by the computer
- Save picture of the recipe
- Print out the recipe
